Clemens High School Orchestra

1001 Elbel Road, Schertz, TX 78154

Middle School and High School Orchestra Directors,

I am looking forward to hosting the UIL Concert and Sight-Reading evaluation on Tuesday, March 5, 2024 and Wednesday, March 6, 2024.

Things to consider:

- **Directors and participating students will need to wear their school ID's anywhere on SCUCISD property.**
 - If your school does not require ID's for students, directors will need to prepare student badges in advance. Please have badges on your students prior to them entering our schools.
- **Parent chaperones accompanying students will need school-provided badges in order to enter our facilities.**
- **UIL events are open to the public, but please note that parents without school-provided badges who wish to observe the contest will need to leave plenty of extra time to check in at the front office with their driver's license, scan in through the Raptor system, receive a badge, and travel to the auditorium.**
 - **Directors, please make your parents aware that the Clemens High School auditorium is far enough from the front office that parents may wish to drive to a different parking lot.**
 - **Parking is very limited on our campuses during the school day.**

Bus Information and Contest Rooms and Locations (See map for additional help with bus drop off and parking area):

- Buses will enter the front side of Clemens HS (Elbel Road side) through the entrance beside the stadium.
- Buses will drop directors and students off at the rear entrance to the Event Center (there is a road that circles around a small building) and then buses will need to park in the campus parking area behind the football field/stadium.
- Directors should check in at the contest office upon arriving, located in the Fine Arts Building ensemble room (F114).
- Students will unpack in the small rehearsal hall (F102), located in the Fine Arts Building.
- Students will warm-up in the black box (Q107), located in the Event Center.
- Students will sight-read in the orchestra room (F103), located in the Fine Arts Building.

***Don't forget to get the contact information for your bus driver, so you can call them when your school is ready to load the bus after the contest.

***Please note that school is in session on these days and it would be best that when schools are finished competing they make plans to return to their campus, this will help reduce traffic congestion on the campus.

Things that we will provide:

- Chairs and music stands.
- Large podium in the sight reading room and auditorium.
- Small podium in the warm-up room.
- McAdams metronome/tuner in the warm-up and sight reading room.

Things to remember:

- There are classes on the days of the contest, please remind students to be quiet in the hallways and building.
- Don't forget to bring any extra string instrument supplies that you may need.
- All cello and bass students will need to use a rock-stop during the warm-up, concert performance, and sight reading, so we don't damage the floors.

Directions:

- Option A (if coming from the San Antonio area): Take I-35 N, exit Schertz Parkway and take a right, stay on Schertz Parkway for about 4 miles and take a left onto Elbel Road.
- Option B (if coming from the San Antonio area): Take I-35 N, exit Roy Richards Drive (FM 3009) and take a right, stay on Roy Richards Drive (FM 3009) for about 5 miles and take a right onto Elbel Road.

Please let me know if you have any questions or concerns.

Thanks for your time and consideration,

Jennifer Tudyk
